GC&C U.S.A.'s Construction team serves as the local access point to the Generali Group's Global Construction practice, one of the world's leading construction insurance organizations that is the insurance partner for many of the largest global construction companies. The Generali Group has significant expertise in industrial and civil projects in the United States, the Middle East, Asia, Europe and Latin America, and GC&C U.S.A. leverages this robust infrastructure and expertise to provide the highest quality solutions to its North American clients. GC&C's Construction team is initially focused on CAR type projects including infrastructure, high rise residential, and civil engineering projects. The Company's customizable Builder's Risk solutions include:

- Catastrophe Perils
- Commissioning & Hot Testing
- Contractor Expenses
- Delay in Start Up (DSU)
- LEG & DE Endorsements

**Andrew Sims, Senior Vice President, Property & Construction at Generali Global Corporate & Commercial U.S.A., commented on today's news, "The launch of our Global Construction Insurance practice is a key step forward as the U.S. branch of Generali Global Corporate & Commercial continues to expand. Our New York-based team serves as the local access point for Generali's construction insurance solutions, and underscores the Group's commitment to bringing its global products and resources to the North American market through an empowered local point of sale."**

GC&C U.S.A. also disclosed today that it has appointed Greg Mason as Vice President of Construction. Mr. Mason, who will help lead the Company's dedicated Construction team, has 26 years of experience in the construction insurance industry. Prior to GC&C U.S.A. he served as Executive Underwriter at Allianz Global Corporate & Specialty. Earlier in his career, Mr. Mason worked for American International Group and Zurich Insurance, and has held positions in claims, account management, and underwriting as they pertain to

construction insurance. He is a designated Chartered Property Casualty Underwriter, and also holds designations of Associate in Risk Management and Construction Risk Insurance Specialist. Mr. Mason graduated Magna Cum Laude from the New York Institute of Technology with a Bachelor of Science degree and is a veteran of the New York Army National Guard.

**Mr. Mason commented,** *“I look forward to helping to lead the Global Construction Insurance practice at Generali Global Corporate & Commercial U.S.A. With contractors increasingly operating at an international level, we seek to offer complete and specialized construction insurance and risk management solutions by leveraging the resources of the global Generali Group.”*
